The event will include a live auction hosted by Jennifer Bolton, a silent auction, and a raffle. There will be many unique experiences available to bid on including Seattle Kraken Club Tickets, a few luxurious weekend get-aways, unique musical experiences, and some carefully chosen baskets and art objects.

Auburn Symphony produces free education programs that reach thousands of local students every year. Concerts also are only possible through the generosity of donors, as ticket sales cover a mere 20% of the costs of each performance. "We are so grateful for the loyalty of our long-time patrons and the enthusiasm of our new ones," says Executive Director, Rachel Perry.

About arx duo:
