

Auburn Symphony Orchestra Announces 2020-21 Season

Auburn Symphony Orchestra announces programming for 2020-2021, the Symphony's 24th season. ASO is offering more concerts this season than ever before. Six symphony concerts will include four classical programs, the annual Holiday Celebration, and a new pops concert. Three chamber concerts provide a more intimate music experience and four summer concerts kick off the season.

The Summer Series begins on June 21 at the Auburn International Farmers Market with a free performance by Pacific Coast Brass. Another free performance is scheduled for Game Farm Park on July 23. Then, enjoy your favorite food and beverages while you swing to wild tangos from Argentina, Mexico, and Portugal during *Around the World on Four Strings* on August 6 at Geaux Brewing. *Jukebox String Quartet* on August 20 at Geaux Brewing is an eclectic program featuring melodies from iconic movies, Nirvana and Jimmy Hendrix, and a little classical music will be thrown in for good measure.

A new pops concert, *Hollywood Takes Flight*, will be a concert for the entire family. The orchestra will play music from Hollywood film scores including *Star Wars*, *Harry Potter*, *Back to the Future*, *How to Train Your Dragon*, *E.T. The Extraterrestrial*, and more!

Four classical concerts will feature Robert Schumann's *Symphony No. 4 in D minor*, Antonio Vivaldi's *Four Seasons* with concertmaster Emilie Choi, Pyotr Ilyich Tchaikovsky's *Symphony No. 6 in B minor*, and Jean Sibelius' *Symphony No. 2 in D major*. The annual Auburn Holiday Celebration program in December has something for everyone to enjoy.

Subscriptions are on sale starting April 27. Summer Series tickets are on sale now. Single tickets go on sale June 1. Subscriptions offer the best seats at the best price - 10% discount on 4-concert subscription or get 6 concerts for the price of 5 with a 6-concert package.

Tickets and information can be found at auburnsymphony.org or by calling the Auburn Symphony office at 253-887-7777.

In recognition of current uncertainty, ASO offers reassurance. If a concert needs to be cancelled due to health concerns, tickets will be honored at another performance or refunded if necessary. The health and safety of their patrons is the Symphony's first priority.
