## **Auburn Symphony moves online for the remainder of 2020**

Due to the ongoing health concerns and regulations surrounding COVID-19, Auburn Symphony Orchestra will not be holding live concerts through at least December 2020. Throughout the Fall and Winter ASO will professionally record chamber ensemble performances and make the videos available digitally.

Current subscribers to the 2020-21 season will be able to roll over their subscriptions to the 2021-22 season, donate their subscriptions to the orchestra to support the digital endeavors, or request a refund. The Symphony staff will reach out to subscribers in the coming weeks.

Auburn Symphony already has a number of digital offerings patrons can enjoy from home. For *Symphony Sundays*, a different live recording is released from the archives each week with a video introduction from a member of the orchestra. Both audio and video links are updated weekly at [www.auburnsymphony.org](http://www.auburnsymphony.org). The symphony has also been collecting education links to help students and anyone who is curious to [learn from home](#). The latest content can also be found on the Symphony's social media pages: [Facebook](#), [Twitter](#), [Instagram](#).

Auburn Symphony will be monitoring the health guidance and will continue to evaluate how to bring music to the community while prioritizing health and safety. ASO is committed to remaining creatively connected to the community.

More information is always available at [auburnsymphony.org](http://auburnsymphony.org) or by calling the Auburn Symphony office at 253-887-7777.

###

Auburn Symphony Orchestra changes lives and our South Puget Sound community through the shared experience of live orchestral music performances and by nurturing the relationship between our audience and our artists. Learn more at [auburnsymphony.org](http://auburnsymphony.org).
